Dear San Diego SAG Members,

Please vote for: ANNE-MARIE JOHNSON for Screen Actors Guild President  
CONNIE STEVENS for Screen Actors Guild Secretary-Treasurer  
DAVID LLOYD for Screen Actors Guild National Board

"The Screen Actors Guild is a labor union and needs to be lead like one. I have the experience and know-how to serve SAG members with respect and determination. I am willing and able to proudly serve as your next president. I will also be lending my support to David Lloyd. He will be a great addition to the national board, representing San Diego members of the Screen Actors Guild." ANNE-MARIE JOHNSON, SAG Presidential Candidate

"My decades of experience as an actor/business woman and my two terms as SAG's Secretary-Treasurer offers me the knowledge and desire to run for a third term. I am endorsing David Lloyd for a seat on the national board. He's a strong SAG member and a proud US soldier and is willing to serve his union." CONNIE STEVENS, SAG Secretary-Treasurer Candidate

"Living and working as a professional actor in San Diego, SAG National Board candidate David Lloyd will bring fresh ideas and a pro-active attitude to the board. The respect, teamwork and drive he brings from his military service will serve the Screen Actors Guild, representing the needs of our San Diego members. I am lending my complete support to David Lloyd." ALAN ROSENBERG, Screen Actors Guild President

"I am honored to be a Screen Actors Guild member. I am running for the national board seat because I believe I will bring a new perspective to the board regarding the specific needs of our San Diego members. I work the contracts and know what it's like to be an actor trying to make a middle class living. If elected I'll make it a point to ensure that our needs are not placed on the back burner and that communication between SAG San Diego staff and our members are improved, consistent and transparent. I will bring the same determination, collaborative spirit and energy I use while serving my country to the SAG National Board. I am asking for your support." DAVID LLOYD, National Board Candidate

SHARED SERVICES: Independent unions, SAG and AFTRA, will jointly own and operate a staffed office to provide administrative services, ending duplication and saving members' dues money.

ULTIMATE GOALS: All scripted drama and comedy work will be covered by one Actors-Performers union regardless of medium (film, tape, digital, etc...), whether shot in or out of sequence or method of delivery.

PENSION & HEALTH/ HEALTH & RETIREMENT PLANS STUDY: Evaluate the benefits (or lack thereof) of combining SAG's Pension & Health with AFTRA's Health & Retirement plans.

AFTRA and PHASE I: Negotiating separately will only weaken both unions ability to secure the strongest terms for ALL actors-performers. It is imperative that SAG and

AFTRA negotiate jointly.
